My child has demonstrated interest in the arts and sciences by:

*****Consistent with Bethel School District Policy, it is important to create a diverse student population*****
(Please turn application over and complete.)

AGREEMENT

STUDENT MUST RESIDE WITHIN THE BETHEL SCHOOL DISTRICT BOUNDARIES

I understand that I am committing to volunteer six (6) hours per month per kindergarten child and fifteen (15) hours each year per first through sixth grade child attending Elk Plain School of Choice.

I have read the Elk Plain School of Choice Kindergarten Registration Packet and agree to the following expectations:

- My child, _____, will participate in *all* subjects, specialty areas and classes.
- I will see that my child, _____, attends school regularly and arrives to school on time. *
- We will work with school staff to ensure that standards of behavior are met so that all students will benefit from our unique program.

** I understand repeated tardy arrivals adversely affect academic progress and will accumulate towards my student's absence record. Every effort will be made to work with families to rectify chronic attendance issues and my child may be transferred back to their neighborhood school if attendance issues are not rectified.*

** I understand that if I move out of the Bethel School District, my child will no longer be eligible to continue attending Elk Plain School of Choice.*

I understand that I am responsible for notifying the school of changes in phone numbers and addresses so the school may attempt to notify me when my child's name is at the top of the waiting list and a space becomes available. If contact cannot be made or I do not respond within 24 hours of notification, Elk Plain School of Choice will go to the next name on the list.
