The Bethel School District Transportation procedure requires that all kindergarten students being transported by bus have a responsible person to receive them at their bus stop. If a person other than the parent and/or guardian will be receiving the student, permission must be given. Further, if you want your kindergarten student to walk home with a sibling, notification is requested.

Please indicate which procedure for drop off you would like to have followed for your child:

- Please allow my child to walk home with sibling(s) (listed below)

- A designated adult will be in attendance to receive my child. (listed below)
