

## Course Equivalency Credits 2011-2012

*To earn academic equivalency credits at the Pierce County Skills Center (PCSC), a student must be enrolled in a program for a minimum of one semester. At the end of the semester, the student may receive up to 1.5 credits if all coursework is successfully completed. Students who enroll for a second year course may earn equivalency credits not declared or earned during the previous year.*

*The sending school counselor will determine how equivalency credits will meet graduation requirements.*
