

Bethel District ~ Elementary Science: FOSS modifications starting 2007-2008

	Life Science	Earth Science	Physical Science	Science Reasoning/Technology
K	Animals 2x2		Wood and Paper	
1	New Plants	Air and Weather	Solids and Liquids	
2	Insects	Pebbles, Sand, Silt	Balance and Motion	
3	Human Body	Earth Materials	 <p>Physics of Sound (moved from 4th to 3rd)</p>	Measurement (kits still used, but blended into Everyday Math structure)
4	Structures of Life	Water		
5	Food and Nutrition	Landforms	 <p>Magnetism & Electricity (moved from 5th to 4th)</p>	 <p>Models & Designs (moved from 6th to 5th)</p>
6	Environments		Levers and Pulleys	

Note: Year 2007-08

Physics of Sound:

Third and Fourth Grade will need to work together so both grades receive instruction in Physics of Sound.

Magnetism & Electricity:

Fourth and Fifth Grade will need to work together so both grades receive instruction in Magnetism & Electricity.

Models & Designs:

Fifth and Sixth Grade will need to work together so both grades receive instruction in Models & Designs.

Professional Development

will be held during Summer Institute in August for these three specific FOSS kits.

Other Science sessions will be offered at both June and August Institutes.

Secondary Science Overview

7		Earth Science	
8	Life Science		
9			Physical Science
10	Biology		Chemistry in the Community
11	Biology		Chemistry & Physics
12	Biology		Chemistry & Physics
